Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Company will be filming the aftermath of a car accident on Academy Road at Park Road.
- Company will have LAPD on site for traffic control.
- OK to have up to 2 minutes of ITC while cameras are rolling.
- All police and emergency vehicles have right of way.
- Company may not block entrance to park at Academy and Park Road.
- Company absolutely must not block entrance/driveway to maintenance yard at any time.
- OK to cone off and keep 150 yards of Park Road, from Academy Drive, clear for picture.
- OK to use dirt “baseball” field north of the maintenance yard for catering.
- OK to set up tents, tables and chairs for catering.

- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
